

# Package: citer (via r-universe)

May 18, 2026

**Type** Package

**Title** Boosting your R packages' citations

**Version** 0.0.9000

**Depends** R (>= 4.1.0)

**Description** Although used a core of scientific endeavors, citations of scientific software are often overlooked. This package provides tools to boost citation of R packages, making it easier for users to cite the software they use in their research.
